

## **Payment Processing Inc. Announced as Exclusive Credit Card Processor with SSA Partner Status**

*PPI Extends Dominance in Self Storage Market*

**Newark, CA –September 9, 2009** – Payment Processing, Inc. (PPI), the industry leader for integrated payment solutions, announces that it has been named an official partner sponsor of the Self Storage Association (SSA). In this role, PPI is the only payment processing company with SSA Partner status and will be a featured panelist for a session titled “Customer Privacy Regulations” at the upcoming SSA Fall Conference being held September 10-12<sup>th</sup> in Las Vegas, Nevada.

“We are thrilled to be the only payment processing company with Partner status for the Self Storage Association and a featured panelist at their fall convention,” stated Eddie Myers, President of Payment Processing, Inc. “This platform allows PPI to continue to educate SSA members on the necessary steps that should be taken to ensure they secure a customer’s private data, including payment processing information.”

As the leading association for the self storage market, The Self Storage Association (SSA) is the official not-for-profit trade association representing over 6,000 direct and indirect members that own or operate over 22,000 self storage facilities throughout the United States. Headquartered in Alexandria, VA, the SSA provides members with educational resources and represents them on key legislative issues affecting the self storage market.

PPI provides self storage companies with a full range of services for integrating electronic credit and debit card payments, including gateway services, integration support, merchant support and services, and PA DSS/PCI-DSS security assistance. The company’s proprietary PPI PayMover platform can be integrated with virtually any business application and is the leading payment processing solution used in the self storage market.

### **About the Self Storage Association**

Since 1975, The Self Storage Association (SSA) has been the official not-for-profit trade association representing the self storage industry and the registered lobbying organization before the United States Congress and the federal agencies. The SSA represents the huge U.S. self storage industry that is comprised of more than 52,000 facilities. The SSA publishes the "official voice of the self storage industry," the *SSA Globe* magazine, on a monthly basis. The magazine is the industry’s largest paid-circulation magazine and has a monthly circulation of approximately 17,000 and a national annual readership in excess of 500,000.
